

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

**EXHIBIT SHOWING ADVANCES IN SANITARY SCIENCE.**

The National Committee on Exhibits Showing Advances in Sanitary Science has recently been formed in Washington, D. C., for the purpose of collecting and preparing material for a great popular public health exhibit in the Capital. The members of the committee include—

Surg. Gen. H. S. Cumming, United States Public Health Service, chairman.

Dr. D. B. Armstrong, National Health Council.

Miss Mabel T. Boardman, American Red Cross.

Surg. Gen. M. W. Ireland, United States Army Medical Corps.

Dr. Victor C. Vaughan, National Research Council.

Dr. C. D. Walcott, Smithsonian Institution.

James A. Tobey, National Health Council, secretary.

Space for the proposed exhibit has been placed at the disposal of the Committee by the Smithsonian Institution. This Institution is visited by more than half a million persons annually. Plans are under way to install exhibit material secured from official and voluntary health agencies. The secretary's office is in the national headquarters of the American Red Cross at Washington, D. C.
